

# DURACELL<sup>®</sup>

SMARTPHONE

## Why Duracell?

Duracell is the world's #1 consumer battery company\*, renowned for quality and durability.

The Duracell bunny is one of the most widely recognised brand icons across the globe.

## The new range of premium mobile accessories from Duracell.

Take an iconic personal power brand, trusted worldwide, and apply almost 100 years of battery know-how to a new range of chargers, cables and power banks.

### Unmistakably Duracell by design.

Soft-touch materials, anodized finishes, Kevlar™ reinforcing, and the iconic black and copper colours combine to produce a range that's unmistakably Duracell and represent fantastic quality and value.

\*by market share

## POWER BANKS

FAST CHARGE IN

**30**  
MINUTES

Fully charge your phone in 90 minutes  
50% charge in 30 minutes

Based on internal testing using an iPhone Mini 13.

## USB CHARGERS

UP TO

**4X**  
FASTER  
CHARGING\*

Supports high-speed  
efficient PPS charging

\*Based on internal testing using standard 5W wall charger vs Duracell 12W charger. Results may vary by device and conditions.

## USB CABLES

### ULTRA-DURABLE MATERIALS

- Manufactured with double braided nylon outer, Dupont™ Kevlar® fibre & a copper core

Aramid Fibre  
Reinforced Core

Flexi-braid  
Toughened Outer

wear-resistant  
connection

## IN-CAR CHARGERS

### ULTRA-FAST CHARGING RANGE

Qualcomm quick  
charge™ 3.0

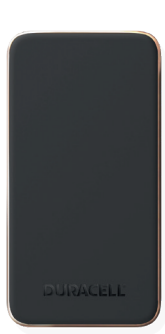

PF fast charging  
technology

\*Based on internal testing using standard 5W charger vs Duracell 30W charger. Results may vary by device and conditions.

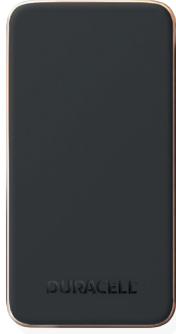

New design for 2023. Silicone soft touch surfaces. High speed PD charging. Wireless and Magsafe compatible models. 5,000 to 20,000 mAh capacities.

### Charge 10

10,000 mAh  
Dual charging | PD18W

USB-C x1 | USB-A x1

### Charge 20

20,000 mAh  
Triple charging | PD30W

USB-C x2 | USB-A x1

### Core 10

10,000 mAh  
Triple charging | PD25W

USB-C x1 | USB-A x1 |  
Wireless

### Micro 5

5,000 mAh  
Dual charging |  
Retractable stand  
USB-C x1 | Wireless

### Micro 10

10,000 mAh  
Dual charging | PD20W |  
Retractable stand  
USB-C x1 | Wireless

### Extreme 150

40,000 mAh  
Solar compatible | PD65W |  
Integrated torch  
Up to 5x USB

## SMARTPHONE | CABLES

Finished with a double braided nylon outer and Dupont Kevlar fibre & a copper core

### Lightning to USB-A

Lengths: 30cm | 1m | 2m

Colours ● ○

### Micro USB to USB-A

Lengths: 30cm | 1m | 2m

Colours ● ○

### USB-C to USB-A 3.2

Lengths: 1m | 2m

Colours ● ○

### C94 Lightning to USB-C

Lengths: 30cm | 1m | 2m

Colours ● ○

### USB-C to USB-A 2.0

Lengths: 1m | 2m

Colours ● ○

### USB-C to USB-C

Lengths: 1m | 2m

Colours ● ○

## SMARTPHONE | MAINS CHARGERS

Slimline ergonomic design and fits flush to the wall

Available as UK & EU

### Single USB-A

2.4A Output | 2X faster charging\*

Colours ○ ●

DRACUSB12

### Dual USB-A 4.8

2 x 2.4A Outputs | Dual charging | 2X faster charging\*

Colours ○ ●

DRACUSB16

### USB-A | USB-C 30W PD

3A Output | Dual charging | 4X faster charging\*

Colours ○ ●

DRACUSB20

### Dual USB-A 3.4

2.4A + 1.0A Outputs | Dual charging | 4X faster charging

Colours ○ ●

DRACUSB14

### Single USB-C

Slimline | 4X faster charging\*

Colours ○ ●

DRACUSB18

### USB-A | USB-C 45W GaN

Slimline | Ergonomic Design | 4X faster charging\*

Colours ○ ●

DRACUSB22

\*Based on internal testing using standard 5W wall charger vs Duracell 12W charger. Results may vary by device and conditions.

## SMARTPHONE | CAR CHARGERS

Soft touch materials and ergonomically shaped design provide secure grip

### Dual USB-A

30W | QC3.0 18W + 2.4A 12W

Colours ● ○

### USB-C PD + USB-A

27W SHARED | USB-C 18W PD + 12W USB-A

Colours ● ○

### Standard Car Charger

12W | Single 2.4A Output

Colours ● ○

### Lightning Bundle

Dual USB-A Charger | 1M Lightning Cable

Colours ● ○

### USB-C Bundle

Dual USB-A Charger | 1M USB-C Cable

Colours ● ○

### Micro USB Bundle

Dual USB-A Charger | 1M Micro USB Cable

Colours ● ○
